#### **12. "Theodore Darst: Last Days in a Lovely Place" at Lubov**

"Last Days in a Lovely Place" marks a bit of a departure for Theodore Darst, a young artist known for his computer-animated video projects in the vein of Ed Atkins and Jon Rafman. The small exhibition features one video work—a looping montage of images that flash by on a steel-mounted monitor—but it also includes several other works that explore the relationship of the virtual and the analog, such as digital paintings on aluminum and black and white photos of computer-generated figures.

**Location:** Lubov, 373 Broadway, #207

**Price:** Free

**Time:** Thursday–Friday, 2 p.m.–5 p.m.; Saturday–Sunday, 10 a.m.–6 p.m.
